Dear *Friends of SOTC,*

Thank you for your generous \$10,000.00 donation. It is only through the kind support of donors like you that the Humane Society of Sarasota County, Inc. can continue to provide food, shelter, medical treatment and love to the approximately 3,500 needy pets abandoned here each year. No goods or services were provided in return for your much-appreciated contribution and HSSC will not sell or share your information with other fundraising organizations.

Your partnership is essential, because the Humane Society of Sarasota County relies solely on donations, grants and bequests to do its lifesaving work. It receives no funding from the Humane Society of the United States or from any local or national organization.

Our donors' support has enabled the Humane Society of Sarasota County to become the community's largest no-kill shelter, meaning that every one of our adoptable pets finds a home! In addition to this joyous achievement, HSSC offers a host of valuable programs, including children's activities, humane education, pet therapy, low-cost and no-cost spay/neuter referrals, dog obedience training and volunteer opportunities. Only with your support can HSSC continue to provide a better quality of life for the precious creatures in its care and remain an essential resource for our community.

Thank you for turning your caring into action and for making a difference in the lives of thousands of pets - and in the lives of the children and families our pets and programs have touched.

Warmest regards,

Deborah Robbins Millman
